

INSULATION

We are wanting to insulate TBI to

1. Save energy bills
2. Keep cooler in summer
3. Keep warmer in winter
4. Quieter in the gompa when raining
5. Reduce noise generally

We have decided to 'go green' because

1. Allergy free
2. Uses recycled paper/all natural material
3. Vermin proof
4. Cellulose (80% recycled paper, plus boron and boral (anti inflammatory),

We have had four quotes and after considerable thought, the one we have chosen is the cheapest at \$2015.00.

Sponsor a square meter

You can sponsor however much you like

A]	315m ²	\$2015.00
B]	157.5m ²	\$1007.50
C]	78m ²	\$503.75
D]	39m ²	\$252.87
