## Classes in

### September and October

Ilia was formerly a Buddhist Monk at Sera Jey Monastic University.

His teachers include His Holiness 14th Dalai Lama, Geshe Rabten and Khensur Kangurwa Rinpoche. Ilia is an extremely skilled translator, and much sought after throughout the world. We are so fortunate that he has so kindly offered

to translate again for us on this upcoming retreat. We are also extremely fortunate that Illia will be running discussion classes on the commentary and probably Buddhism in general, as he has vast knowledge and is an eloquent speaker.

#### Sundays 2–4pm

September 28th—What does it mean to be a Buddhist i.e being a Buddhist through faith, by taking refuge, and, through reasoning, by accepting the four seals.

October 5th— Relating to the spiritual teacher correctly.

October 12th—Karma and causality.

Ilia has also very kindly offered to give Tenzin a break and will translate on Wednesdays evenings 24th Sep, 1st, 8th, 15th October.
